Because of You...

Celebrating 40 Years

2022 commemorates the 40th anniversary of Feed My People! We have come a long way since 1982, and we are continuing to make a huge impact on our community. This year, our capital renovation campaign will be complete. Our pantry will be transformed into a "client-choice" pantry, empowering our members to choose the food they want to feed their families. Additionally, this renovation will feature a *Reflection Room*, so our members can have a place to find peace when times are tough. We expect renovations to be complete by May, so stay tuned to see the building changes!

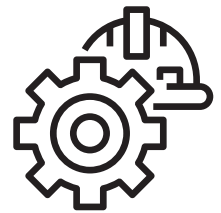

We would also like to thank all of our volunteers and community partners - without all of you, none of this would be possible. Each and every day that you come and donate your time and effort to Feed My People, you are making an impactful change in the lives of our member families.

Most importantly, we would like to thank our founders, John & Carol DeGuire. It's their legacy that they established 40 years ago that keeps on driving us to "show love and compassion to all God's people, but particularly His people in need". This entire year is about honoring the two of them and continuing the legacy that they established in 1982.

Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms.

What's Going On In The Community?

Girl Scout Troop 191

This past December, Girl Scout Troop 191 came into our High Ridge location with Christmas stockings to fill. The girls were working on getting their Girl Scout Christmas patch. Each of the girls colored stockings and received \$10 each to shop in the thrift store to fill the stockings for those in need this holiday season. The chaperones as well as the girls had a great time!

Spreading Kindness & Joy

Many of our community partners came together and donated various items to help our member families. We received toys and bikes for our Giving Tree. Many partners hosted food drives on behalf of Feed My People. A school was even able to donate over 1000 rolls of toilet paper. Feed My People is truly blessed to have so many individuals dedicated to helping us fulfill our mission.
